

Job description

Rob Goodson Plumbing is seeking positive, motivated Apprentice Plumbers to add to our dynamic crew. These positions have the potential to grow into leadership roles for the right person. Currently, two of our Journeyman leading their own crew have been with us since they began plumbing. We do our best at RGP to help guide you through the learning process with hands on experience and support you as you walk through your plumbing education.

Job Purpose

Apprentice Plumbers are vital part of our team at Rob Goodson Plumbing, Inc. They will assist Journeyman, other Apprentices, and learn to be responsible for all aspects of the installation, maintenance, inspection, operation and repair of plumbing systems. The Apprentice Plumber will also be expected to complete service work tasks along-side a licensed Journeyman. As a vital part of our team, integrity and leadership will help them perform well. Communication and interpersonal skills are vital for accepting and delegating tasks; and conveying information quickly, effectively, and accurately.

Job Responsibility Summary

- Plan and complete all necessary steps in the installation, maintenance, repair and servicing in water and drain systems
- Troubleshoot instances of system malfunctions, interruptions and failures
- Adhere to the highest standards of quality, and safety
- Ensure proper billing, invoicing and daily documentation of activities
- Ensure complete customer satisfaction from start to finish
- Keeps accurate records of time and work performed, equipment and materials used or recovered, and exact location of installations; checks blueprints to identify possible plumbing maintenance problems
- Maintenance of shops, vehicles and tools

Required Knowledge, Skills, & Abilities

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skills, and ability required. Acceptable driving record and reliable transportation is a must

Preferred Education & Experience:

- High school diploma/GED
- 0-2 Years experience as an Apprentice Plumber? We want YOU!

Preferred Qualifications:

Apprentice Plumbers should have their own basic hand tools, good troubleshooting skills, be excellent listeners with the ability to follow instructions efficiently; and have an aptitude for developing mechanical skills, retaining knowledge about processes and systems as well as the following abilities:

- Problem-solving – use your knowledge of complex systems, experience, and deductive reasoning to identify the cause of a problem
- Physical strength – physical strength and stamina to lift heavy items (75+lbs) when necessary
- Dexterity – must be able to use and maneuver parts and tools easily and accurately, usually in tight spaces
- Mechanical skills – applicants need to have the mechanical skills to know which tool is right for the job, and how to use it properly
- Communication skills – able to work well with their Lead(s) and listen to instructions
- Adaptable to change (positive or negative) and to considerable variety in the workplace
- Use of safety equipment when necessary (goggles, gloves, respirator, hearing protection, etc.) and follow proper safety procedure

We are an Equal Opportunity Employer located in Boise, ID and seeking out team members already located in the Treasure Valley or planning to relocate themselves close by. We are dedicated to our customers and our employees, and if you feel you would be a great addition to our team, we encourage you to apply.
